*Carlo's exhibition presents a selection of the main Eucharistic Miracles (about 136, collected in 166 panels 60x80, plasticised) which occurred over the centuries in various countries and are recognised by the Church. Through these panels you can "virtually visit" the places where the miracles happened.*

*"My life plan is to always be connected to Jesus". With these few words, Carlo Acutis, who died of leukaemia when he was only fifteen years old, outlined the distinctive feature of his brief existence: living with Jesus, for Jesus and in Jesus". To quote Carlo's own words: "Our destination must be what is infinite, not what is finite. Infinity is our homeland. We have been expected in Heaven since time immemorial". He also said: "All are born with their own originality, but many die as photocopies".*

In the entire history of the Catholic Church, there have been numerous Eucharistic miracles approved by the Catholic Church as truly worthy of belief. The Vatican Eucharistic Miracles Photographic Exhibition faithfully recounts for us many well documented miraculous occurrences. Knowledge of these miracles strengthens our faith in Christ and His Church. They are visible proof of Jesus Christ's Real Presence in the Holy Eucharist. The Exhibit was created by Blessed Carlo Acutis, a 15 year old from Milan, Italy who was Beatified on October 10, 2020.

We highly encourage you to schedule time to view the exhibit.
